Jim Glasheen from Technology Partners selected by Aspatore Books as author in new authoritative book, *Inside the Minds: Life Sciences Venture Capital*

Boston, MA (3/13/2006)—Jim Glasheen, General Partner at Technology Partners, has been recognized as a leader in life sciences venture capital by being selected as an author in the recently released book, *Inside the Minds: Life Sciences Venture Capital - Leading Venture Capitalists on How to Find, Manage, and Exit Successful Investments in Life Sciences Companies*, published by Aspatore Books.

Inside the Minds: Life Science Venture Capital (ISBN: 159622150x) is an authoritative, insider's perspective on the ins and outs of one of the most rapidly growing areas for venture capital investment today. Featuring managing directors and partners from some of the nation's leading VC firms, this book is a guide for investors and entrepreneurs alike on spotting the best investments in life sciences and seeing them through to a successful exit. The ten experts in this book walk readers through each phase of the investment selection process and reveal the indicators in technology, market, and management that make for a profitable venture. From overcoming the biggest risks in life sciences companies to the skills necessary for running a firm or investment team, this book is a useful tool for any VC hoping to capitalize on the next big thing in life sciences.

The Inside the Minds series is revolutionizing the business book market by publishing an unparalleled group of executives and providing an unprecedented introspective look into the leading minds of the business and legal world.
